

## KILLED

### Wife After Which Uxoricide Attempts Self Destruction

### CONFESSED TO CRIME

### Infatuated With Another Woman He Had Been Supporting

### Murderer a Church Trustee and Leading Sunday School Worker.

Milwaukee, Wis., March 20—Geo. Willoughby, a member of the Jewell & Sherman company, and one of the leading business men of the city, this morning shot and killed his wife, Florence, at their home. Shortly after committing the deed Willoughby confessed, according to the police, that he had committed the murder because he was infatuated with another woman whom he had been supporting for four years.

After killing his wife, Willoughby fired two shots into his own breast over the heart and when the police were taking his confession his condition was so low that it is not believed he can recover. Willoughby is a trustee of the Park Place Methodist church and a teacher in the Sunday school.

After killing his wife and shooting himself, Willoughby tried to make it appear that the crime was the work of burglars, but later confessed.

### CONDITION REPORTED VERY CRITICAL

Washington, March 20—The condition of Senator W. J. Bryan of Florida, is reported as very critical today. His physicians were at his bedside all night.

## MR. BRYAN

Explains Why Democracy Should Control the Government in Speech at Chicago.

Chicago, March 20—Declaring that the greatest of present day evils is "the domination of politics by the fever seeking corporations," and asserting that the Democratic party is the best qualified to undertake the task of correcting this, William J. Bryan last night celebrated his 48th birthday by delivering a speech on national issues before a big mass meeting in the Seventh Regiment Armory.

## REPORT OF STEEL COMPANY SHOWS FINE INCREASE OF CURRENT BUSINESS

New York, March 20—The annual report of the United States Steel company today shows that corporation had an excellent year. Its gross receipts for 1907 approximated \$75,014,768, as compared with \$696,756,926 for 1906. Operating expenses, etc., were for 1907, \$564,166,777 as compared with \$517,083,955 for 1906. The surplus for

the year 1907 was \$15,179,837, compared with \$12,742,560 for 1906. Referring to current business the company says that bookings for January were 25 per cent better than December and for February 25 per cent better than for January. The increase is being maintained this month.

The speech by Mr. Bryan took for his subject, "Why Democracy?" and after discussing the records of President Roosevelt, Governor Hughes and Secretary Taft as regards corporation legislation, he answered the question by saying: "Because the Democratic party is the only party sufficiently large to give hope of success, and sufficiently democratic to give hope of relief after a victory has been won."

## ASHBROOK SPEAKS OUT ON PENSIONS

Our Congressman Presents Many Facts on Meritorious Pension Cases That Attract Attention.

Washington, March 20—Congressman Ashbrook of the 17th Ohio district, delivered a strong speech of some length in the House on Tuesday on the subject of pensions, that is attracting unusual attention among his fellow members because of the many facts presented regarding the injustice that has prevailed for years toward thousands of old soldiers whose meritorious cases have been either ignored or unnecessarily delayed in the departments.

Mr. Ashbrook ripped up the rules of the committee and the arbitrary treatment of cases in the department. The speech will not be printed till Saturday, but a large number will be printed and circulated. Many will be distributed by a number of other members of Congress in consequence of the numerous pertinent facts presented that have not been heretofore generally known.

## NOMINATIONS CONFIRMED

SENATE HAD NO CONTESTS ON HAND EXCEPT IN ONE INSTANCE.

Corson's Confirmation Said to be a Rebuke to Meek—Harris and Pattison Appointees Safe.

Columbus, March 20—The Senate Thursday afternoon and evening confirmed all of the nominations sent to that body by Governor Harris and the late Governor Pattison. There were exactly 102 of them, but there was no disposition for a contest except in the case of Oscar T. Corson, of Franklin county, as a member of the board of trustees of the Ohio State university, and who finally won out. This is considered a rebuke to Senator Meek who did his best to defeat him.

## BIG BLAZE AT LOWELL

Lowell, Mass., March 20—Fire this morning did \$300,000 damage. It was largely confined to the Fifield machine shops.

## HOUSE

### Passes Initiative and Referendum Resolution

### DEBATE OF 14 HOURS

### Joint Resolution Was Thoroughly Knifed Before Passing

### Representative Hill Reminds Republican Colleagues of Few Unpleasant Truths.

Columbus, O., March 20—After nearly 14 consecutive hours of debate the House of Representatives last night finally adopted the Atwell joint resolution providing for the submission to the people next November the question of adopting the initiative and referendum as a principle of government in Ohio. The original resolution, which now goes back to the Senate for concurrence in these changes, it was upon these amendments, or rather upon one of them, that the forensic fray was fought. This change provided that a majority of all the electors voting at an election should be required to enact a law rather than a majority of those voting upon any separate proposition submitted to them. Upon all points, the radical supporters of the measure were outvoted, but the defeated declared that they were satisfied to get the portion they received, considering the tremendous importance of the proposed change from the long established order of things. Upon the question of what should constitute a majority the conservatives won by a vote of 63 to 54. When it came to the adoption of the amended resolution itself, the vote in the affirmative was 100 to 16, with four failing to vote.

With the exception of a little over an hour taken for luncheon the body remained in session from 9:30 a. m. until a few minutes after 7 p. m. At the opening the debate was resumed by Representative Frank Hillenkamp, of Toledo, who had the floor last night when adjournment was taken. When the end came many of the members were completely worn out.

The debate was remarkable for the complete divergence of views presented, being somewhat reminiscent of the old free silver days. But enough was disclosed to show that, if the representatives stand for the sentiment of their constituents, there is a dissatisfaction with the present system unless it is safeguarded further with checks upon the legislative power. This was the theme of all of the speeches. The wide latitude permitted in debate enabled the speakers to bring in dozens of collateral matters, ranging from the temperance issue to the alleged reprehensible actions of the United States senators in the nation at large.

Representative Hill of Columbiana county, from the Republican side, held up Aldrich and his cohorts as menaces to popular government, and cited the Cincinnati 50 year franchise bill, the attempted canal steal and the delay in child labor laws as evidences of a demand for some check upon the lawmakers. With unpleasant frankness, he told his fellow Republicans that when, but a few years ago, they had a two-thirds majority in the General Assembly, many of them had to submit to having many iniquitous measures jammed down their throats by the bosses.

### HAINES PROVED INSANE.

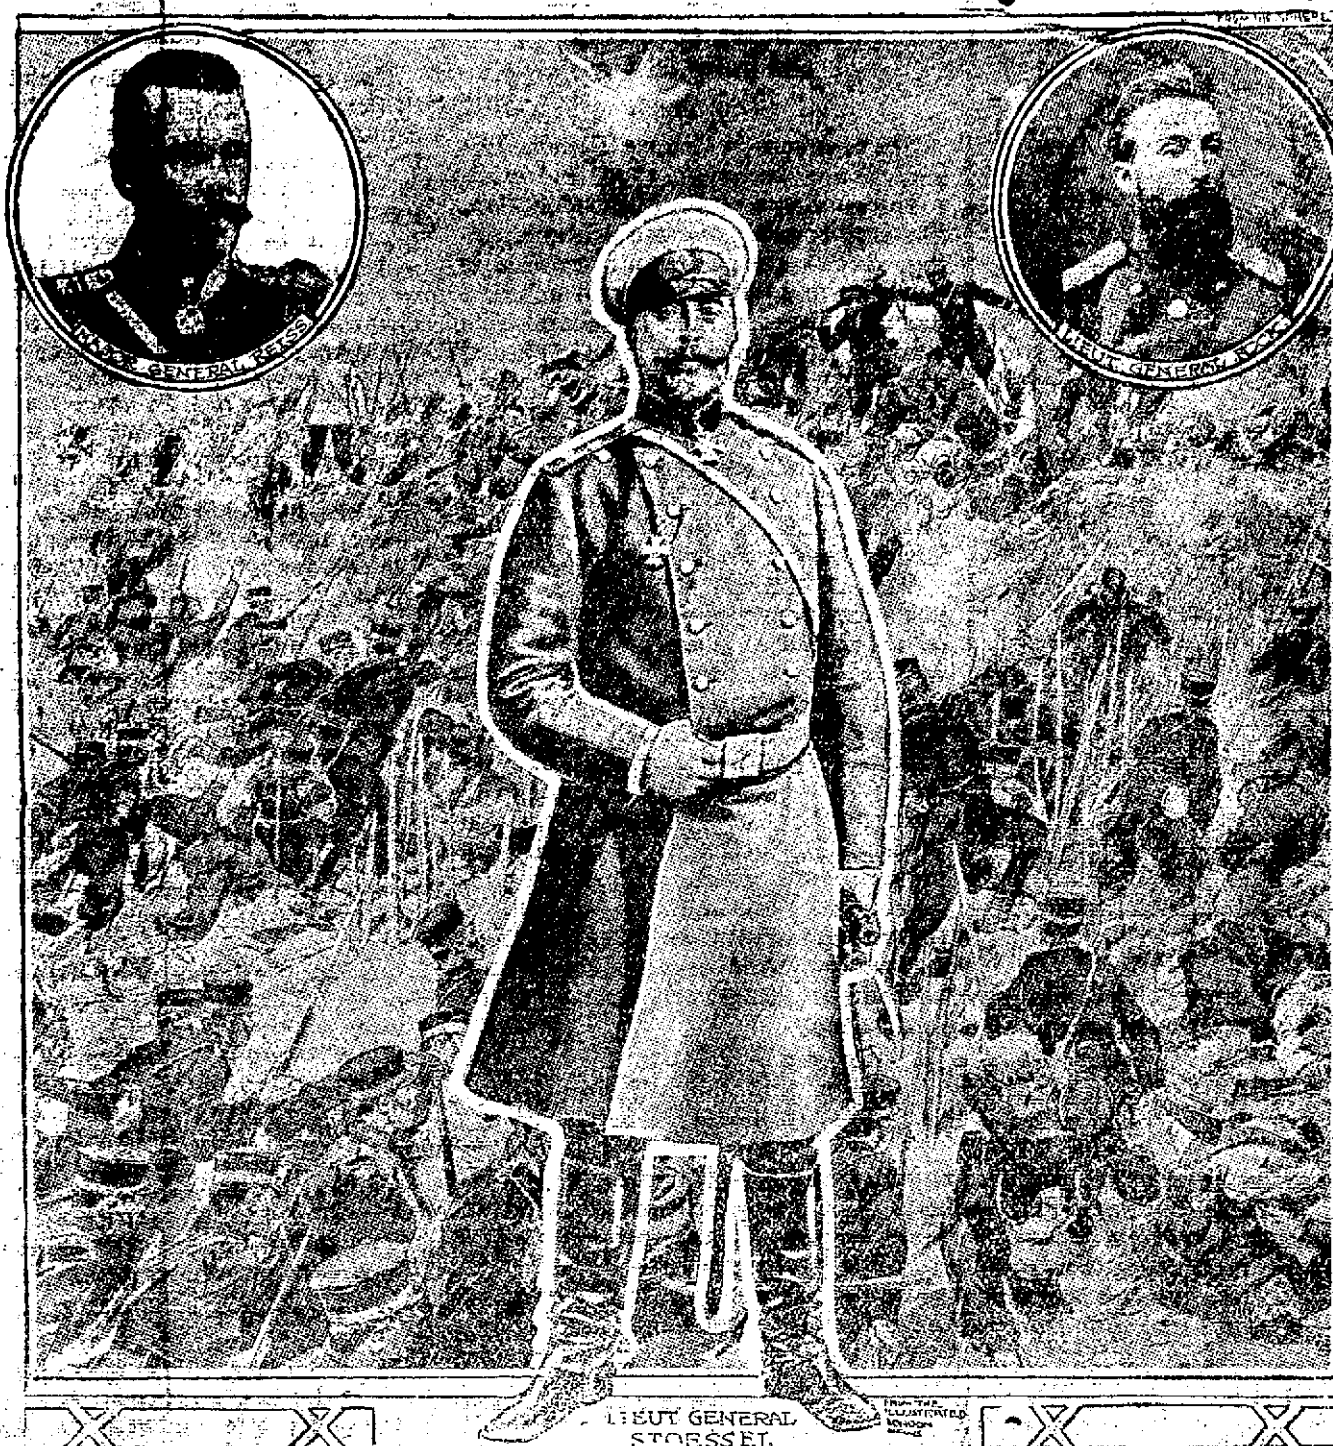

Washington C. H., O., March 20—The Haines wife murder trial, which has been in progress for three weeks came to a sudden and unexpected end Thursday evening, and today Clarence Haines was committed to the Columbus State Hospital for the Insane.

Some years ago Haines worked in Newark for a period of several months, and has relatives here. It was proven at the trial that his wife visited here on several occasions.

### APPOINTED TO SUCCEED HOUSTON.

Columbus, O., March 20—James C. Wonders of Bellefontaine, was appointed state highway commissioner by Governor Harris Friday, to fill the vacancy caused by the resignation of Commissioner Sam Houston.

## AGED HERO OF PORT ARTHUR WHO MUST SERVE TEN YEARS' SENTENCE

## ENCAMPMENT RESOLUTION PASSES LOWER HOUSE BY UNANIMOUS VOTE

Columbus, O., March 20—The Encampment resolution passed the lower house this morning without a dissenting vote, and now awaits the governor's signature.

The State of Ohio has at last done justice to the city of Newark in the matter of the return to the city of the Permanent Encampment Grounds. Some 16 or 17 years ago these excellent and magnificent grounds were donated by the city of Newark and Licking county to the State of Ohio, to be used as a permanent encampment grounds for the Ohio National Guard. The city of Newark thought the investment a good one at the time, and still thinks so, if the original agreement on the part of the state to make this a permanent encampment ground for the Ohio National Guard, had been carried out.

## FLOOD STAGE

PREDICTED BY WEATHER FORECASTER THURSDAY DID NOT MATERIALIZE.

Waters Are Receding and All Danger Is Passed—Damage to Manufacturing Slight.

Pittsburg, Pa., March 20—The flood stage of 53 feet, predicted yesterday by the weather forecaster failed to materialize. At 6 this morning the 28 foot mark was reached, and the waters were receding. Today the following bulletin was issued by Forecaster Pennywitt: "Rain has stopped and the crest of the flood has been reached. All danger is now passed." Damage to manufacturing plants was slight.

### FORMER POLICEMAN

### KILLS HOUSEKEEPER

Alliance, O., March 20—Angered because his housekeeper, Mrs. Little Hartenstein, had left his home, Geo. W. Miller, a former policeman, shot the woman and then holding the revolver at his mouth put two bullets down his throat. The woman will live, but Miller will probably die.

## SENATOR PENROSE REPORTED BETTER

Philadelphia, Pa., March 20—A slight improvement is reported today in the condition of United States Senator Boies Penrose, who is dangerously ill here from an attack of facial erysipelas.

## PENSION

### Offices Over the Country to be Abolished

### INCLUDES 18 AGENCIES

### Hard Fight Made For Re- tention of Columbus Branch

### Over 95,000 Vets Receive Checks Through Columbus Office Which Employs 40 Clerks.

Washington, March 19—The United States pension agency at Columbus is to be abolished.

This was decided upon after a hard fight Thursday afternoon in the lower house and for more than four hours the debate waxed warm which ended in the adoption of the committee report which favored a central pension office to be located in this city.

One of the strongest arguments made for the retention of the eighteen agencies was made by Congressman Taylor of Columbus, but it proved of little avail. Other congressmen from cities where agencies have been in operation for years made strong pleas against the adoption of the committee report.

By the passing of the bill the following offices will be closed: Columbus, O., Augusta, Ga., Boston, Mass., Buffalo, N. Y., Chicago, Concord, N. H., Des Moines, Ia., Detroit, Mich., Indianapolis, Ind., Knoxville, Tenn., Louisville, Ky., Milwaukee, Wis., New York City, Philadelphia, Pittsburgh, Pa., San Francisco, Topeka, Kan.

The main argument used was that the old soldiers would be inconvenienced in getting their pension money and would have to wait longer for it. The vote stood 139 to 86. Only the Washington office will be retained.

Columbus, O., March 20—The announcement of the elimination of the local agency was received in Columbus with a great deal of disappointment, as it was believed that the friends of the present system of paying pensions would be successful in the effort to stay the threatened legislation.

The agency is one of the largest in the United States, its annual disbursements aggregating \$15,000,000. More than 95,000 pensioners are paid through the Columbus agency, checks being sent not only to all parts of the United States, but to foreign countries.

One of the chief hardships of the change will be the consequent discharge of the 35 or 40 employees of the department, practically all of whom are Columbus people. So far as is known, no provision is being made for them, although there is a possibility of some of the clerks securing positions in the Washington offices of the pension department. The district served by the Columbus agency includes Ohio and parts of surrounding states.

## GOV. GUILD MAY SURVIVE

Boston, Mass., March 20—If Gov. Guild can survive today his physicians will begin to expect his ultimate recovery. His condition this morning was practically the same as 24 hours ago, but the fact that he slept well through the night is encouraging.

## WILL EJECT ALL DRUNKS

Pittsburg, March 20—Liquor, when carried in "overdoses" on the Baltimore and Ohio railroad, is now excess baggage.

Orders have gone out over the different divisions entering Pittsburg that men passengers under the influence of liquor shall be ejected from trains whether they have paid fare or not. Explanation is made that the action is taken to protect other passengers, especially women, from insult.

## WOMAN'S JEALOUSY CAUSES PHYSICIAN TO COMMIT SUICIDE

Evansville, Ind., March 20—Following the discovery of Mrs. Jennie Farmer, dying in a buggy from stab wounds, and the arrest of Mrs. Nancy Davenport at the office of Dr. Henry C. Jergenson last night, Dr. Jergenson was found dead in his office today. The body lay on the lounge and it was apparently a case of suicide, but the coroner will hold an autopsy this afternoon. Following the discovery of Mrs. Farmer's injury, the woman accused Mrs. Davenport. She said she met Mrs. Davenport in the doctor's office. Mrs. Davenport accused her of trying to win the doctor's love. They came to blows and she remembered nothing more. Mrs. Davenport was found by the police in a room above the doctor's office. Dr. Jergenson, when the woman was arrested, admitted that the woman fought in his office, but said he saw no knife and that Mrs. Farmer went to her buggy after the quarrel. Davenport says his wife was formerly in an asylum. All are prominent.

## LIVED IN THREE CENTURIES VIGOROUS AND STRONG AT 108

MRS. MARY WILKINS, 108 years old.

Mrs. Mary Wilkins, of Remington, Ind., mother of Dr. John A. Wilkins of Delta, Ind., is one of the oldest residents of the state, having lived in three centuries and being in her 109th year.

She was born in County Tyrone, Ireland, September, 29th, 1799, and came to this country with her husband in 1840. She is the mother of four children all living. At the present time she is visiting a daughter in Indiana and is in splendid health. She enjoyed an automobile ride a few days ago and was greatly pleased at the speed. Mrs. Wilkins remembers the crowning of Queen Victoria, and enjoys telling of the experiences and conditions of a hundred years ago.

On January 18th, Margaret Watson, daughter of Mrs. Wilkins sent the following letter from her mother:

"DEAR MR. DUFFY:—I want to tell you about your medicine, it is doing me so much good. I am now a very old woman. I have passed my 108th birthday. Since taking your Pure Malt Whiskey my appetite is better, and I am stronger. I rest better and my daughter who is 75 years old, says I am getting younger every day. I feel that your Whiskey is a food and that it will keep me alive for a great many years more. Your Malt Whiskey makes me think of the whiskey they make in Ireland. You may put this in the paper if you want to."

Thousands of letters like Mrs. Wilkins' are received from grateful men and women who cannot say too much in praise of Duffy's Pure Malt Whiskey for the benefit derived from its use.

## Duffy's Pure Malt Whiskey

is an absolutely pure distillation of malted grain; great care being used to have every kernel thoroughly malted, thus destroying the germ and producing a predigested liquid food in the form of a malt essence, which is the most effective tonic stimulant and invigorator known to science; softened by warmth and moisture its palatability and freedom from injurious substances render it so that it can be retained by the most sensitive stomach.

It is invaluable for overworked men, delicate women and sickly children. It strengthens and sustains the system; is a promoter of health and longevity; makes the old young and keeps the young strong.

**CAUTION.**—When you ask your druggist, grocer or dealer for Duffy's Pure Malt Whiskey be sure you get the genuine. It is the only absolutely pure medicinal malt whiskey and is sold in sealed bottles only; never in bulk. Price \$1.00. Look for the trade-mark, the "Old Chemist," on the label, and make sure the seal over the cork is unbroken. Write Dr. R. Curran, Consulting Physician, for free copy illustrated medical booklet and free advice. Duffy Malt Whiskey Co., Rochester, N. Y.

## VISITATION OF DRESDEN K. P.

NEWARK LODGE DOES THE HONORS IN A HANDSOME MANNER.

Visiting Brothers Confer the Knight Rank—Enjoyable Banquet Served Over 200.

For some time past the members of Newark Lodge, No. 13, Knights of Pythias, of this city, have had in delightful anticipation, a fraternal visit of the team of Dresden Lodge, which has the reputation of being one of the most efficient in Central Ohio. and Thursday night this anticipation was realized when about forty of the members of Dresden Lodge, including the team, arrived here and were given a royal reception by the members of Newark Lodge and all other Knights in the city. The attendance at the meeting Thursday night was very large, there being present fully 200 Knights, including the visitors. The principal feature of the evening was the conferring in full amplified form of the Knight rank, by the Dresden team. The floor work of the team was the finest that has ever been seen on the floor of Newark Lodge. and the visitors came in for many words of praise. Prof. Smock, superintendent of the Dresden public schools, who took the part of the King of the Senate, was the recipient of many expressions of praise for the excellent manner in which he did his work. While great credit is also due Mr. Griffith, the captain of the drill team.

At the conclusion of the work a banquet was enjoyed after which a season of speech making followed with Attorney B. F. McDonald acting as toastmaster. Toasts were responded to by the following: County Deputy Will Mitchell, of Granville; Prof. E. E. Smock, of Dresden; William Manners, of Coshocton. One of the trustees of the Pythian Home; Judge E. M. P. Brister, Mr. Griffith and F. M. Breithaupt of Dresden.

## BALMY DAYS OF SPRING

SUN PASSES OVER EQUATOR TONIGHT AT SEVEN O'CLOCK SHARP.

Weather Bureau Holds Out Hope That Equinoctial Storm Will Give Us the Go-by.

The real article in the shape of spring is due in this land, says the weather man, at 7 o'clock sharp tonight. At that moment the sun will creep over the equator on its annual trip north, and the general prediction is that there will be a hot time before long. Balmy breezes, sunshine, azure skies, etc., will follow in the wake of Old Sol.

The weather bureau holds out hope that "the equinoctial storm" will not storm, but that winter will quietly sneak out the back door while spring sweeps in the front.

## Wall Paper Talk No. 16.

### Application of Color

In small rooms or rooms with low ceilings it is safer to use a three color harmony of analogy—for instance, if the woodwork were white apply the sage color to the walls, and white and green, and orange and green can be effectively used.

The decorator who can harmonize existing conditions and produce a room that is beautiful in color and effect, is far more of an artist than one who adheres to strictly period work.

Everybody knows that a room on a northern exposure is deficient of sunlight. The wall treatment should supply this by using papers of the warmer colors. On the other hand the southern exposure has so much sunlight that the counteracting wall treatments by using the cold colors should be utilized.

In the color treatment one must adopt either a harmony of analogy or a harmony of contrast, and the existing conditions must be considered in your decision.

Let us assist you in the selection of the best colors adapted to your various rooms.

Yours for correct wall coverings,

The A. L. Norton Co.

## HUMANE SOCIETY

WOULD LIKE TO HAVE CASES OF CRUELTY TO ANIMALS REPORTED TO THEM.

Acts of Inhumanity Which Are Practiced on Animals—Offenders Will be Punished.

There has been much feeling created of late by various cases of cruelty to animals, and the Advocate has been requested on several occasions to call the attention of its readers to some of the most revolting abuses of dumb beasts, and cases which the informants of the Advocate fear to report to the humane society lest they be required to appear in court against the offenders.

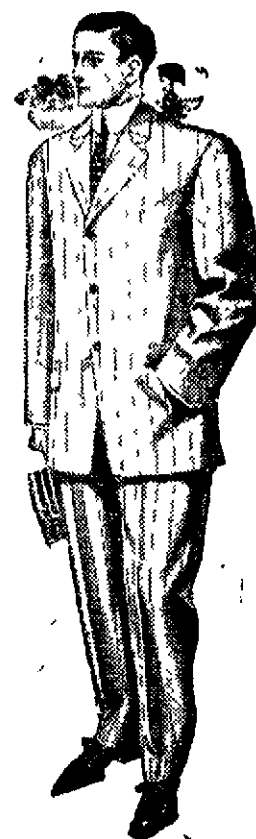

Since the approach of spring has been noticeable, many horses have been subjected to the clippers, with the result that now when the weather is colder, the animals suffer exceedingly from the cold in spite of the care that might be taken to protect them with artificial coverings. Humane Officer Charles Bader made a request some time ago for all persons to report cases of clipped horses and the humane society would act as soon as the matter was reported.

Another act of inhumanity that is being practiced quite widely about Newark, is the clipping of dogs' ears. In many of these instances half of the ears are cut off, leaving ugly, bleeding stubs trimmed pointedly to "make them look like bulldogs." A local veterinary surgeon told an Advocate man the other day that he had about decided to refuse to operate upon dogs in such a way, as it was simply a bit of useless cruelty that compared well with cutting off the long tails of dogs and horses.

A little observation reveals some of the most unimaginable cruelty to helpless animals, and Officer Bader has stated that he would deem it a great favor if all persons would make a practice of reporting such instances of brutality that the society he represents might deal out the proper punishment to the offenders.

## LITTLE GIRL

Gets Off B. & O. Train at Newark Instead of Zanesville; and Gets Lost.

A little twelve-year-old girl by the name of Neal, who was on her way from Iowa City, Ia., to visit relatives at Dresden, by mistake got off B. & O. No. 8 here Thursday night and was badly frightened when found by Officer Moore a short time afterward. She had been told by her grandmother to get off the train at Zanesville where her uncle would meet her, but by accident she left the train at this point. Thinking she was in Zanesville she told the policeman that she had an uncle, Frank Neal, employed in a clothing store here, and a search was made, but no clerk by that name could be found in Newark. The officer took her to the patrol house and as it was too late for her to go to Zanesville, Wagonman Brown, who lives in the Union block, took the little girl to his home and left her with his wife for the night. This morning she was given her breakfast and placed on a train for Zanesville. She was also given a note that will help her locate her uncle who is employed in that city.

### Adjudged Insane.

An affidavit of lunacy was filed in the Probate court against Salmon S. Walker, charging that he was insane. An inquest was held before Judge Brister, Dr. B. F. Barnes and Dr. J. P. ### STOPS FAILING VIGOR OF MEN.

Undoubtedly the following prescription will work wonders for that great class of men who, through faulty circulation of their natural strength, find themselves in their "second childhood" long before the three score and ten allotted to life's pleasures and enjoyments are reached. Coming from a source of unquestioned authority on the diseases of men, it is presumed to be infallible, and the profession generally endorse it as highly efficient in quickly restoring to "nervous exhaustion, weak vitality, melancholia and the functions of the kidneys, urinary and generative organs. It is published now with the full authority of the originator for this benefit for the shipwrecked lives that find life not worth living, and who have been unsuccessful in the treatment of "specialists," electric belt doctors, patent medicine fakirs and the like. First get fifty cents' worth of "Compound fluid Balmwort," in a one ounce package, three capsules, syrup, Sarsaparilla, compound, take home, mix and let stand two hours; then get "one ounce compound essence, Cardiol" and "one ounce Tincture Cadoc" and mix all in a six or eight ounce bottle, shake well and take one teaspoonful after each meal and one when retiring, followed by a drink of water. To insure quick circulation of the blood, necessary to promote the quick action of the treatment, a hot salt water bath should be taken nightly, if convenient. It is said by those who have been treated by this eminent pathologist that as tonifying nerve power and vigor is well worth the large fees which he charges. By mixing it at home no more need be the wiser to another's shortcomings and expensive fees are avoided. Some doctors may not have these rare ingredients in their preparations, but they can easily obtain them of a wholesale store who always have them to supply the doctor.

## WORTH A TRIAL

Noted Authority Gives Simple Home Remedy for Kidney and Bladder Troubles.

This is a message that will bring happiness again into many families and sunshine into the lives of hundreds of disheartened and discouraged men and women here. It requires just a little inconvenience, for it can't be bought already prepared. It is a simple home recipe now being made known in all the larger cities through the newspapers. It is intended to check the many cases of rheumatism, kidney and bladder trouble which have made so many cripples and invalids and weakenings of some of our brightest and strongest people.

The druggists here have been notified to supply themselves with the ingredients, and the sufferer will have no trouble to obtain them. The prescription is as follows: Fluid Extract Dandelion, one-half ounce; Compound Kargon, one ounce, and Compound Syrup of Sarsaparilla, three ounces. Mix by shaking well in a bottle. The dose is one teaspoonful after each meal and at bedtime.

Recent experiments, even in severe hospital cases, prove this simple mixture of its positive action upon the eliminative tissues of the kidneys. It compels these most vital organs to filter from the blood and system the waste impurities and uric acid which are the cause of rheumatism. It cleanses the kidneys, strengthens them and removes quickly such symptoms as backache, blood disorders, bladder weakness, frequent urination, painful scalding and discolored urine. It acts as a powerful stimulant to the entire kidney and bladder structure, puts new life into them and invigorates the entire tract. It makes the kidneys clean the blood. The Dandelion will take care of liver trouble and constipation, and is fine for the stomach.

All the ingredients, states a well known local druggist, are of vegetable extraction, making it a safe and harmless prescription at any time.

Those who suffer and are accustomed to purchase a bottle of patent medicine should not let a little inconvenience interfere with making up this prescription. Wherever this becomes generally known, it ruins the sale of the patent medicines and so-called rheumatism and kidney cures, which is its best endorsement of virtue.

## DEATH

Invades the Williams Home Twice Within the Week and This Time Claims the Father.

Death for the second time within a week invaded the home of Cornelius Williams, who lived two miles north of Newark on the Mt. Vernon road, and this time claimed the father, through his dreaded instrument, pneumonia.

Last Tuesday morning the two year old son died and his body was placed in the vault at Cedar Hill. This morning at 1 o'clock the bereaved father died aged 47 years, leaving a widow, who is almost prostrated by the double affliction. A nine year old daughter also survives.

The funeral will be held from the home Sunday at 2 o'clock and will be in charge of the Odd Fellows who will meet at their temple at 1 o'clock and march in a body to the home. The remains of the deceased will be placed in the vault, and later the bodies of the father and son may be buried in one grave.

### Case Submitted to Judges.

The case of C. C. Forry, trustee in bankruptcy vs. E. W. Crayton, was argued and submitted to the judges of the Circuit court. Some years ago Robert W. Smith conducted a drug store on Third street near the Doty House. Smith sold the stock of goods to E. W. Crayton under the terms of a chattel mortgage. The question in the law suit is as to whether or not the sale to Crayton was a valid one, or whether it was a preference over creditors, in violation of the bankrupt law. Smith gave to Crayton several chattel mortgages, amounting to the sum of \$2750. Forry, Davies, Flory & Flory, Kibler & Montgomery.

(Philadelphia Record.)

After the late Matthew Stanley Quay had been defeated in the act of plundering the state treasury an admirer legislature voted \$20,000 of the people's money to erect a monument commemorative of his predatory genius. The money has been spent, the statue hewn out of marble. It will adorn the capitol as soon as the heirs of Quay's political power can nerve themselves to the selection of the exact site.

A precedent has thus been established for the guidance of the legislature of 1909. By virtue of their prowess in the art of which Quay was master, Snyder, Mathews and Shumaker have placed themselves on the eligible list for sculptural recognition at the hands of their party.

The palace which they helped to build will not be complete until their \$20,000 effigies, along with those of Quay and of other yet unconvicted devotees of the "system," shall have been luxuriously mounted in its halls. Will the next legislature vote the money? Or have the times changed along with the attitude of courts and juries toward the crimes perpetrated by politicians?

**Recent Growsome Experience of a Chicago Man Is Sample of a Series of Such Cases**

During L. T. Cooper's recent visit to Chicago, where his new preparation and theory created the usual sensation, many hundreds of people brought enormous internal parasites to the young man, which had left the system after taking his medicine.

Among these people was Mr. Emil Winkler, who brought to Cooper a tapeworm that proved to be over ninety feet in length. Mr. Winkler, who resides at 182 East Ohio Street, Chicago, had this to say of his experience: "For five years I have been more or less complaining. I have had severe headaches, and any food that I would eat would nauseate me. I would have had dreams almost every night; dizzy spells would compel me to quit work. Black spots would appear before my eyes when stooping over and rising quickly. I would feel tired most of the time; in fact, I had no life in me to speak of for the last five years. I tried various treatments, and one

physician in St. Louis was recommended to me, and I was under his treatment some time, but as usual I obtained no relief.

"So many people asked me to try Cooper's preparation that I decided to do so, and after using it for a few days, this awful thing passed from my system. I feel much better already, and I want to say right here that I thank Mr. Cooper a hundred times for what his medicine has done for me. I would not take \$5,000 and have that thing back in my system again."

Mr. Winkler is a fair sample of the experience of many during Cooper's stay in Chicago, and this no doubt helped to account for the enormous sale of the Cooper preparation in this city and others, recently visited by the young man.

We sell and will be pleased to explain the Cooper preparations. City Drug Store.

**WEAK WOMEN**

A Letter of Interest to Many in Newark.

After a very long and trying experience, Mrs. W. C. Parker, of Jackson, Michigan, writes a friend as follows: "I have been sick and all run down for more than a year. I took all kinds of medicines that were recommended by friends. I was in such a nervous condition that I could not bear the slightest noise, and so weak that I could hardly walk up stairs. A friend advised me to try the cod liver preparation, Vinol, and did so with wonderful results. My weakness and nervousness are all gone. I can walk any distance, and have gained very rapidly in strength and flesh. I am writing you of my experience in order that you may advise any one whom you know is suffering as I was what to take."

This is only additional testimony in regard to the value of our cod liver preparation, Vinol, which we have so unhesitatingly recommended to the people of Newark for the last few years. Vinol is not a patent medicine, but a cod liver preparator made by a scientific, extractive and concentrating process from fresh cods' livers, combining with peptonate of iron, which is a needful constituent for the blood, all of the medicinal, healing and body building elements of cod liver oil, but no oil.

We ask every person in Newark who is run down, nervous, debilitated and every aged, feeble person to try Vinol on our guarantee to return money if it fails to give satisfaction. Frank D. Hall, Druggist, Newark, O.

**If You Are Sick**

It is because some of the organs of the body are not doing their work well. There is a lack of that nervous energy that gives them motion. Consequently you are weak, worn-out, nervous, irritable, cannot sleep; have headache, indigestion, etc. because there is not sufficient nerve force to keep the organs active and allow them to perform their natural functions. Dr. Miles' Nervine restores health because it restores this nervous energy.

"I have been sick for a year, and did not know what was the matter with me. I tried many remedies and none of them proved of any value. I heard of Dr. Miles' Nervine. I procured a bottle, and before I had taken half of it I was better. I would have had nervous prostration if I had not got this medicine when I did. I continued to take it until I was entirely well. I have since recommended it to five of my lady friends, and they have all thanked me for doing so, for it benefited them all."

MRS. ROSE OTTO, Dr. Miles' Nervine is sold by your druggist, who will guarantee that the first bottle will benefit. If it fails, he will refund your money. Miles Medical Co., Elkhart, Ind.

# The Show of New Spring Suits for Women

## Typifying the Smartest Spring Fashions

ALL the pleasure and the advantage unquestionably derived from an early choice may be enjoyed to the fullest extent in our Cloak and Suit Department.

Stocks are profuse with the beautiful sanctioned styles that bid fair to distinguish the spring and summer of 1908 as the period of the most artistic and becoming dress America has ever known.

The show includes hundreds of splendid New Suits and this year our western money has worked wonders, for the east—the proud intolerant "East" was in sore straits, and money was doubly powerful. Hence it comes about that you can buy better suits this year at any given price than ever before.

## The Styles

Fashions that will reign supreme, absolutely correct in every detail. Included are tight fitting jacket models, new loose box, kimono sleeve and the fascinating "Butterfly" suits. You'll enthuse over their beauty.

## The Materials

The newest and best of Panamas, Cheviots, Wool Rajahs, Tweeds, Serges, Fancy Stripes, Etc. All of the new seasons most popular fabrics are cleverly made up in this matchless style assembly.

## The Colorings

Copenhagen blue, Porcelain blue, Royal blue, Cadet blue, Gray, Tan, the new leather shades, black. Every color that is new and beautiful finds representation. And the prices are sweetly reasonable. Great groups are shown at

**\$10.00, \$15.00, \$18.50, \$25.00, \$27.50

H. L. Maddocks, Engineer. Mr. H. L. Maddocks of Zanesville is in the city arranging to open an office in the Newark Trust building. Mr. Maddocks is a civil engineer who is well known in Newark.

Young Folks' Night. This will be a young folks' night at the Second Presbyterian church. The pastor will speak on the subject, "Know ye what I have done to you?" Solos by Miss Corinne Miller and Mr. A. W. Patton. All are cordially invited.

Have You Tried "Lofa"? "Tastes like mother used to make" is what they say of "Lofa." It's a rich, wholesome loaf and stays fresh until the last slice is gone. When you order the next bread, tell your grocer to send "Lofa." 20-dtf

Go Into Business. W. A. Lippincott and Gideon Lippincott, well known young electricians of Newark, have opened an office at 15 1-2 West Main street. They will do a general electrical business, make electrical effects and carry all kinds of supplies.

Repairing Damage to Roof. Men are at work repairing the damage done to the roof of the Memorial building by the high wind of Tuesday night. The damage was such that an entire strip of new roofing about 20 feet wide and 60 feet long will be necessary to repair it.

Hats or Helmets. The police are deciding among themselves whether they will wear hats or helmets this year. A ballot is being taken among the members of the force, for some prefer the helmet for summer wear, others like the broad brimmed Stetson hat for use during the hot months.

Two New Churches. It is probable that two new churches will be built in Newark soon. The First Presbyterian members have plans ready and will discuss the building proposition in a few days. The Plymouth Congregational church people are also contemplating the erection of a handsome stone church.

Trying to Secure Noted Speaker. The Socialist party of Newark is doing all in its power to procure Mrs. Margaret M. Preary of Akron, to lecture to the ladies of Newark on political economy. Mrs. Preary is a candidate for the office of state school commissioner of Ohio and as a speaker she is supreme and a good authority on Socialism.

Christ on Trial. Evangelist Dillin will preach what is considered one of his greatest sermons at the North Newark C. U. revival this evening on "Christ on Trial." There will be service tomorrow evening and on Sunday at 10:30 a. m., 2:30 and 7 p. m. There will be the closing services of the revival, and the sermons will be the best of the meeting. There will be special singing at each service. All are cordially invited.

Name in Hospital Staff. The 42d annual report of St. Francis Hospital, Columbus, has been received and among other things of note it contains on its list of the hospital staff the name of James E. Williams, M. D., who is one of the resident physicians. Dr. Williams is a very promising young physician, who is a son of Hon. George W. Williams, a leading attorney of Columbus, and a great grandson of the late Hon. Edwin Williams, who, some years ago, was sheriff of Livingston county.

Arrested Fighters. Officer Carroll arrested two fighters on West Main street this after-

noon. One failed to give bond and was locked up. The other "rustled the dough" and was released. They will have their hearing tomorrow.

Building New Bridge Floor. The First street canal bridge is undergoing repairs in the way of a new floor.

## NEW EDIFICE

WILL BE ERECTED BY MEMBERS OF PLYMOUTH CONGREGATIONAL CHURCH.

Building Committee Met Thursday Evening and Looked Over Plans Submitted.

For some time past the members of Plymouth Congregational church of this city have had in contemplation the erection of a new church on the site of the old one, on North Fourth street, to cost about \$30,000. Subscription papers have been in circulation which have been liberally subscribed to. A meeting of the building committee was held Thursday night in the shoe store of Jones & Evans on North Third street, and the matter was talked over at considerable length. It was stated that in the neighborhood of \$16,000 had already been subscribed for the new edifice. Two architects from Columbus, who were present at the meeting, submitted plans of churches in other places that had been prepared for inspection. Work on the new structure will commence as soon as plans have been prepared and the weather will permit.

## CURES ECZEMA QUICKLY

New Drug Poslam, Now Obtainable in Small Quantities.

Since its discovery one year ago, the new drug, poslam, has successfully cured thousands of chronic cases of eczema and other distressing skin affections. Heretofore poslam has been dispensed solely for the benefit of eczema patients in large jars sufficient for a month's treatment. This was found to be an inconvenience to many thousands who use it for minor skin troubles, such as pimples, blackheads, herpes, acne, scaly scalp, complexion blemishes, itching feet, piles, etc., which require but a small quantity to cure. To overcome this and in response to urgent appeals, the dispensers of poslam have been obliged to adopt, in addition to the regular two-dollar package, a special fifty-cent size, which in future may be found on sale at Frank D. Hall's and other leading drug stores in Newark, or may be ordered direct from the Emergency Laboratories, No. 32 West 25th street, New York City. In all eczema cases poslam stops itching with first application, and proceeds to heal immediately; chronic cases being cured in two weeks. In less serious skin troubles, results are seen after an overnight application. Samples for experimental purposes may still be had, free of charge, by writing to the laboratories for them.

The Beauty Doctor, Auditor: 8 o'clock sharp, tonight.

## JOE LOCKE SIGNS UP

Another thrill of joyousness ran through Newark fandom today when it became known that "Uncle Joe" Locke, one of the best slab artists in the O. P. last year, came to time today and fired his signed contract into

"UNCLE JOE" LOCKE, Who has signed a Newark contract for 1908.

Secretary Hopkins. Joe will be gladly received by everyone in Newark when he makes his bow this year, for he is a steady and reliable pitcher, and his unflinching good nature and willingness made him hundreds of friends, not only in Newark, but in the different towns of the circuit as well. With him signing up the Molder aggregation is practically complete for 1908.

### BALL MEETING.

A short session of the directors of the Newark ball team was held last night, and bids for the refreshment privilege were received. The contract was not awarded though. No other business of importance was transacted.

### THE FAN MILL.

Bunny Pearce is having stomach trouble, that old enemy of the athlete. He doesn't like the heat of that climate and will be glad when the team starts north.

There is rejoicing in Akron. Bill Schwartz has been signed for next season. His release was practically bought.

The Boston Americans are to be known as the Red Sox and the Boston Nationals as the Red Caps. There are also the White Sox, but no White Caps—not in base ball.

Deputy Sheriff Roy Bowersock, former star backstop for the Lima College baseball team, has sent in his application for a try-out with Captain Bill Clark's Lima team.

The Milwaukee sporting editor, who, while driving his automobile, killed a woman, was found guilty of a technical offense at Milwaukee, and was fined \$300 and costs. The accident occurred three years ago. Joe Cantillon, Empire Jack Haskell and two members of the Milwaukee club were in the machine at the time. As the sporting editor was driving, he was held for manslaughter. The incident proves a warning to sporting editors. Since the occurrence most of them have disposed of their machines and now only three or four of them in each town indulge in that kind of prodigality.

Manager Ganzel has decided to carry 19 players up to the first of June. The squad will consist of three catchers, seven pitchers, five infielders and four outfielders. Only six of the present team of 25 men would be let out before the championship season begins. Ganzel may keep three lefthanders on the staff. Weimer is a certainty, and Campbell and Upp will both be retained if they show up stronger than some of the righthanders.

Manager Charles Carr has completed a deal for the purchase of the A. J. G. club of the New York league. He will transfer the club to Schenectady and install Hank Ramsey as manager. The Zanesville management has been assured of the week of the Eagles' convention at home.

Sunday, April 5, will be reporting day. On April 11 Lancaster will play an exhibition game here, and on the 12th at Lancaster. On April 15, 16, 18 and 19, the home team will play games with Newark. The place of the Sunday games will be decided by tossing a coin—Zanesville Signal.

The Columbus club has tied a can to Ben Ehmman, formerly with the Akron team. He will revert to Akron.

### AT THE ORPHIUM.

Manager Lawrie is starting in strong in securing talent for amateur nights, and the audience that goes to this popular family theater tonight, will not be disappointed. For one thing, he has secured M. J. Landrum of this city, a black face comedian, who has won fame on the stage and in theaters through the South. Miss Clara Slosser, a well known reader and elocutionist, will also appear tonight. Several boys in their "barrel attack" will furnish all kinds of amusement. This will be in addition to the clever bill that has been drawing immense crowds all this week.

## MANAGERS

OF OHIO STATE LEAGUE WILL INSIST ON EARLY HOURS FOR PLAYERS.

### NO DOPEY PLAYING

And Night Owls Not Wanted by "Big Smokes"—Lots of Sleep With be Slogan.

The closer the time draws for the opening of the Ohio state season, the more it becomes apparent that the organization is in for a most prosperous and interesting summer. All the clubs have been organized and the talent displayed by the various managers in selecting their teams insures the choice of first class teams for all the cities in the circuit. An exciting pennant race can be counted on.

Every manager, and all experienced men, have been beating the bushes and scouring the cities for possible Wagners or Waddells, and the try-outs for the Ohio State teams will make some of the minor league managers sit up and take notice and then wonder where the hands have been picked up. But that is what comes with experience. The ability to find the man, develop him and then sell him to a larger league.

Manager Bob has discovered another thing too, that is that a player can't play ball when he is only getting "cat naps." The man that is a night hawk can't help playing dopey ball next day, and dopey players haven't any business in base ball. The Newark players last year were a very well behaved lot and seldom was a man out after 10 or 11 o'clock.

The same strict watch will be kept on the men this year, and the night owls will have to hunt another job. To do away with as much temptation as possible, and to see that the men are all in bed at a reasonable hour, quarters for them have been engaged at the hotel at Idlewild park. While there will be various attractions at the park, yet here is lots of cool air, and a certain amount of quiet, two things necessary for a good night's rest.

Last year the Molders had a reputation while on the road for being a quiet and orderly bunch of ball tossers, and no town ever dreaded to see them come in. It will be the same way this year, for while the men will be allowed a certain amount of "shore liberty," yet they will be required to get their sleep. The other managers will insist, on the same thing, so dopey ball will be unheard of in the O. S. circles.

With one or two games every day of the season, the men must have their rest and its dollars to doughnuts they won't kick on the rules laid down by the different big smokes.

Itching piles provoke profanity, but profanity won't cure them. Doan's Ointment cures itching, bleeding or protruding piles after years of suffering. At any drug store.

## LEAP YEAR GETS ANOTHER

Canton, O., March 20—Pitcher Buff Ehmman, whose release has been purchased by Akron from the Columbus team, was married to Miss Mary Little of this city, Thursday. Ehmman several weeks ago returned his Columbus contract unsigned and had not Akron purchased his release he would have been sold to Oklahoma City. Ehmman went south with the Naps last spring and although he showed fair form he was returned to Akron. This will make his third year with that team.

### WILL CLOSE FOR SEASON.

The Palace roller rink will close a long and successful season Saturday night with a big feature skating contest in which several local expert teams will take part. Mr. C. E. Snyder, who has managed the Palace so successfully for the company, since the rink was opened, June 15, has secured the roller rink concession for Idlewild park for the coming season. Here he will conduct his own rink and be in full charge of affairs.

The event of Saturday night at the Palace, will be the deciding race between Lake and Fitzgerald, Newark's crack skaters. Other contestants in the team races will be Ben Fuller, who claims the New York and Pennsylvania state championships, Willis Miller and Leo Thomas and Merrill Sweitzer, the latter two both leading polo players at Newark. Saturday night the Palace will be open until 11 o'clock.

## Buy Stock in The National Drug Co.

The National Drug Company having bought the business of The Life Plant Co. will manufacture and exploit that famous remedy. The merits of this remarkable preparation are too well known to require description. Ask any physician or druggist his opinion of Life Plant. It has been regarded for the past five years as a remedy in a class by itself, possessing curative qualities no proprietary remedy on the market has dared to claim. Thousands of letters have been written by men and women telling of being cured by Life Plant of Cancer, Rheumatism, Catarrh, Eczema and other uric acid diseases. The merit of Life Plant is undisputed. It seems to possess curative power almost beyond belief.

This company will establish large laboratories here and have invited the citizens of Canton to assist in developing the enterprise by offering 50,000 shares of common stock, par value \$1, at 40c per share and 50,000 of 7 per cent preferred at \$1 per share with a bonus of one share of common stock with each share of preferred purchased.

I do not hesitate to risk the assertion backed by my knowledge of the medicine business in general and my confidence in the future of this proposition that both the common and preferred stock will go skyward before the plant is in full running condition. Anyhow the stock will never be offered as low as it is now. SO BUY NOW.

I will be glad to give information relative to any detail of the business or our plans to anyone interested.

## The Only Food

The only wheat food that is perfectly cooked—a pretty strong claim, is it not?

Steam-cooked for six hours—then thoroughly cured—then baked at 400 degrees.

It requires 96 hours to turn wheat into **Mapl-Flake**. Yet flaked food can be made in from 18 to 24 hours. Let us tell you what a difference that makes in the food.

Wheat is composed largely of starch.

Starch, to be digestible, must be made soluble. The particles must be separated, so the digestive juices can get to them.

You cannot digest raw starch.

The only way to break up the granules of starch is to apply a fierce heat, and for long. That is why wheat is flaked—to get it so thin that the heat goes through.

In baking bread, the inside of the loaf never gets heat enough. That is why bread doesn't all digest. That is why more will digest when it's toasted.

The more starch you break up by heat, the more food you will get. But no form of wheat food—save Mapl-Flake—is so cooked that all of the wheat becomes digestible.

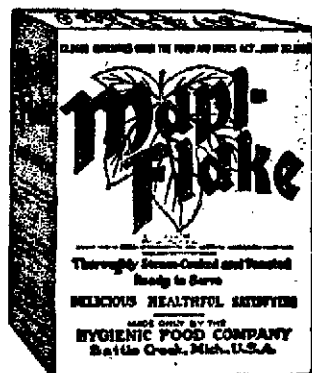

**Mapl-Flake** alone is all food.

That is why Mapl-Flake is the most economical food. It is all nourishment.

But that isn't all. When only half of a food digests the other half ferments and breeds germs. It always causes, in some degree, symptoms of indigestion. Dyspeptic symptoms are usually due to the failure of starch to digest.

Mapl-Flake is cooked with pure maple syrup. That's for the children, mainly—to make them like the food that is best for them.

## MIGHT HAVE LOST HIS ROLL

Thursday evening as Officer Carroll was walking on West Main street, he observed an old man, who was a stranger in the city, and who seemed to be considerably under the influence of liquor, leaning on the railing in front of one of the business houses, surrounded by a number of men. Officer Carroll thought that the case was one that merited prompt attention and going up to the old man he had him taken to the city prison for safe-keeping. On searching him at the city prison, \$130 in gold and paper money was found on his person. That the old man has his money today he may thank Officer Carroll, who is a very efficient officer and is generally on the spot when there is duty to be done.

### OFFICER CARROLL PLAYS SLEUTH.

Officer Patrick Carroll, although possessed of a very quiet manner, is one of the best sleuths on the force, and it very seldom that a violator of the law escapes him, once he gets on his trail. Pat may not talk much. What he does speaks for itself. Friday morning he noticed Charles Spence standing in front of Long Bros. store on the South Side, acting in a very suspicious manner. The officer disappeared for a moment, but all the time he had his eagle eye on the man. Suddenly he saw his man pick up a pair of shoes and disappear in a business place on the South Side. Officer Carroll ran around to the rear door and after waiting for a few moments, Spence came out of the door and fell into the arms of the officer remarking, "You are a smarter man than I am."

## HUNGRY AS A BEAR AND CAN'T EAT

If, When Mealtime Comes, You Suffer From a Yes-Not Kind of Hunger, You're a Dyspeptic.

How to Cure All Stomach Troubles.

A good many people get mad when you tell them they've got dyspepsia, but way down deep in their stomachs they know they've got it.

"I'd love to eat it, but I can't," is one kind of dyspepsia.

"I hate to think of it," is another kind. There are thousands of people today who hate their meals, and they love them at the same time. They haven't that fine empty-hungry eat-everything-in-sight kind of feeling which goes with that good strong healthy stomach. That's because they have dyspepsia. And then there are others whose mouths don't water at meal time or at any other time. They sit at the table and go through the motions, only because it's time to eat. These people, too, are dyspeptics.

Every possible kind of stomach trouble can be cured by taking some thing which will just take right hold of all the food in your stomach, and digest it alone without the help of the stomach, and let the stomach take a rest.

Stuart's Dyspepsia Tablets do this very thing. They are composed of the best digestive known to science, and are absolutely safe. One ingredient alone of one of these tablets will digest 3,000 grains of food! These tablets do exactly the work that a good strong healthy stomach does.

Stuart's Dyspepsia Tablets cure all cases of dyspepsia, indigestion, burning or irritation, loss of appetite, bloating, belching, aversion to food, fermentation and gas on the stomach.

Stuart's Dyspepsia Tablets will make you feel "good" before and after each meal, and make your stomach strong and healthy again. They will make you happy.

Send us your name and address today and we will at once send you by mail a sample package, free. Address F. A. Stuart Co., 159 Stuart Bldg., Marshall, Mich.

Stuart's Dyspepsia Tablets are sold at every drug store for 50c a box.

## AMUSEMENTS

### WILL SET STAGE IN VIEW OF AUDIENCE.

Dressed in their latest blue shirts and the cleanest pair of overalls that can be found, the Auditorium stage boys will do their annual free exhibition stunt this evening, setting in full view of the audience. The local stage boys are among the most genial and obliging in the country and it has been said that they are going at an unnecessarily rapid pace by having the "Beauty Doctor" here on the night of their benefit. It might have been "Beauty Doctor" some time during the day so that all would look their sweetest in those nice clean overalls and foxy blue shirts, at night.

The local boys are deserving of all the support that they get and, whether the benefit performance turns out to be all that is promised or not they ought to have a good, big box office sale tonight.

### SOMETHING FOR THE LADIES.

In addition to the amateurs who have been secured for Friday evening Manager Lawrie of the Orphium intends to give something new and novel, as everybody loves flowers at this time of the season, he intends to give a beautiful carnation to every lady who attends either performance. This is done with a view of getting acquainted with his patrons, as he wishes everyone to feel at home while at the theater. Several new stunts will be given by the amateurs which will cause a scream. The regular which will cause a scream. The regular which will cause a scream. The regular which will cause a scream. The regular which will cause a scream.

### THE LION AND THE MOUSE.

Since the last performance of "The Lion and the Mouse" here at the Auditorium, it has established a new record in theatrical history and will revisit Newark for one night only on Tuesday, March 24, and Mr. Harris will again present this wonderful play with an exceptionally strong cast, and the production new and complete in every detail.

"The Lion and the Mouse" is more like the great American play for which the public has been waiting than any piece that has been seen on the stage for many years. It goes without saying that it is the greatest theatrical value ever offered and any American who has his country's welfare at heart should see this interesting drama.

### THE MUSEE.

The Musee has exhibited a splendid picture the past couple of days, picturing the uprising of the Sepoys. It was given in six different sets and pleased hundreds of patrons who called to witness it.

## POISONED AT A PICNIC AND WONDERFULLY CURED.

Ivy Poison causes great distress, and its worst feature is the constant recurrence of the eruption. Those who have suffered from it are alone able to appreciate how difficult it is to get rid of this serious complaint. The brief story of Miss Lamb, which follows, is a splendid testimonial to the wonderful efficacy of PALMER'S "SKIN-SUCCESS" Ointment and Soap and PALMER'S "BLOOD-SUCCESS" Remedy, in one of the most difficult cases which medical treatment has to confront.

"While at a picnic in the woods a few summers ago, I became poisoned by Ivy and tried several remedies which only helped me for a while, for each following summer the disease returned worse than ever. A young lady friend seeing my condition informed me that she had been poisoned in a similar way and had been cured by using Palmer's 'SKIN-SUCCESS' Ointment and Soap and Palmer's 'BLOOD-SUCCESS' Remedy. I immediately tried these remedies with success, and as there has been no re-appearance of the disease since, know that I am surely cured. Feeling very grateful for the benefits received, I gladly and my testimony to the efficacy of your remedies. Edythe Gertrude Lamb, Tottenville, N. Y."

Similar suffering of a different kind and its radical cure further emphasize the unquestionable merit of the PALMER SYSTEM OF SKIN AND BLOOD CURE.

"I would like to tell you what I think of the Palmer 'SKIN-SUCCESS' Ointment and Soap. It is worth more than its weight in gold. My head was entirely covered with sores and I was obliged to have my hair cut short. The barber recommended the Palmer treatment, claiming it would cure this disease. I immediately tried these remedies and, after a few weeks' treatment, have as clean a head as there is in Ottumwa today. It is not my desire to make a long story about this cure, but wish to express my sincere appreciation, and any one who questions the value of your remedies can be referred to me. Chauncey A. Gray, Ottumwa, Iowa."

These incompressible remedies are an absolute cure for Eczema, Skin Rheum, Psoriasis, Dermatitis, Acne, Scall, Pimples, Blackheads, Ringworm, Tetter, Itch and Oak Poisoning, itching Affections, Oily Dermatitis and all Eruptions and Blood Disorders. They cure the local affection, and when necessary purify the blood.

Store That Serves You Best

They were given a hearty welcome by Miss Hoover, notwithstanding the fact that she was completely surprised. A delightful evening was spent in games, social conversation, and in having a good social time. During the evening a fine luncheon was served, and Miss Hoover was the recipient of many beautiful gifts.

Miss Ella Denman of Postoria, after a pleasant visit with relatives and friends here has returned home. The recital given in Recital Hall on Wednesday evening by Miss Dorothy Kibler and Mr. Howard W. March, was an event of special significance. Mr. March sang in his usual pleasing manner and received much applause from the large audience. Miss Kibler again showed her marked ability as an accompanist, and her own selections were played with much feeling and greatly appreciated by the attentive audience.

Dr. A. Ramsey of Cambridge, who was recently elected rector of St. Luke's parish, this place, was here this week with his wife looking for a parsonage as he expects to be located here after the first of April. He will conduct his first service in the Granville church the first Sunday in April. There will be services both morning and evening after the new pastor takes charge.

Robert D. Hunt, '05, who has been troubled with inflammatory rheumatism for some time has gone to New Mexico in the hope that that genial climate will relieve him. Friends here will be interested in learning that Paul McKibben, '06, has recently been taken into the Gamma Phi fraternity, one for graduate scientific students, and Phi Kappa Sigma medical fraternity at the University of Chicago.

Mrs. John Powell, who underwent an operation in Columbus several weeks ago, is rapidly recovering and will go to her former home in Delaware Saturday, where she will stay for a while before returning to Granville.

Friends here have been notified that a son was born to Mr. and Mrs. Harry Lewis, March 13. Mrs. Lewis,

it will be remembered was formerly Miss Grace Gutches.

Mr. and Mrs. A. S. Armstrong, formerly of Decatur, Ill., have moved to Granville, where they expect to reside permanently. They have purchased the Oren Farmer property on College street.

Thomas and Edward Lewis of Bucyrus, who have been in this section for some days on the search for good stock, returned home Thursday.

On Wednesday night the Christian Endeavor society of the Presbyterian church spent an enjoyable evening with Miss Gertrude Good at the home of Mrs. Smetton on Mt. Parnassus. Refreshments were served during the evening.

## Suit in Mandamus.

A mandamus suit has just been begun in the Circuit court, the title of which is the State of Ohio on relation of E. M. P. Brister, plaintiff, vs. J. C. Kreig and others, defendants. Kreig is sued as superintendent of the Children's Home, and the other defendants are the trustees of the institution. The petition alleges that E. M. P. Brister, as judge of the juvenile court, committed to the Children's Home one Ralph Roberts of Granville, a neglected child, but that the defendant, Kreig, refused to accept the child as a neglected child. The relator says that Kreig is subject to the order of the other defendants, and that they are necessary parties, and he asks that he be compelled to accept the child as an inmate of the institution. The hearing will probably be had next week. Kibler & Montgomery filed the petition on behalf of Judge Brister.
